

## Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

# TAKE CARDUI

## The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.

The horsemen in Missouri certainly are determined to keep up their end of the fight for supremacy in saddle horse breeding. Never was their a firmer hold made on good brood mares and high class stallions. Many of the good type of mares over there have been registered under the relaxed rules made at the last annual meeting of the Association. Texas and Oklahoma have both been drawing on Missouri for saddle bred stock but the supply has not been materially depleted.

If you keep four cows the separator is a good substitute for the fifth. In fact I would rather have four cows and a separator than six cows and no separator says one who has used a separator and appreciates its value.

More than at any other season the milk cow now needs a plentiful supply of feed. She is preparing to go into the winter season and should do so in her best physical condition. It is much easier and more profitable to keep an animal in good condition than it is to put her in such condition.
